

Library Resource Guide: Art Source & Greenfile

who?

Art Source Mobile!

Art & Architecture Complete provides full-text coverage of 380 periodicals and more than 220 books in the areas of art and design • **Avery Index to Architecture Periodicals** offers a comprehensive listing of journal articles on architecture and design • **Greenfile** is a database of titles covering all aspects of human impact to the environment • Through EBSCOhost, these three databases can be searched individually or simultaneously.

what?

when?

- you need to find which books and articles have information for your topic
- looking for selected full-text articles
- you need plans or elevations
- research in art, art history, architecture, decorative arts, design, sustainability or green building

Go to the **Articles** page of the library's website: <http://nysidlibrary.org/articles/> for links to Greenfile and Art & Architecture Complete/Avery Index

Off-campus, you will be asked to enter your NYSID ID and password. There is also an app available for iPhones. To download, follow the instructions found on the search page when using your mobile device.

where?

how to?

Choose

Select which of the databases you would like to search

Search

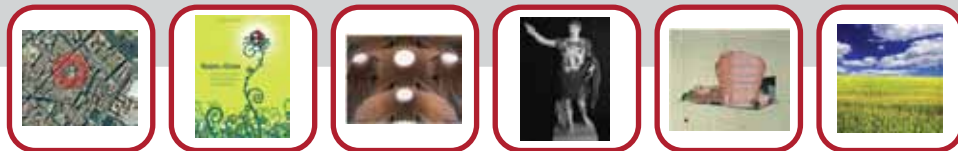

Use advanced search to narrow and focus your search

Find books and articles

Use BobCat to see if the library owns the resources found in your search

Read

Download pdf full-text articles and print, read online, or listen to an audio-file

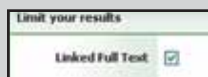

tips

- Once you have found the desired citation or article, use the Tools to save, email, cite, print or bookmark

- Select "Linked Full-Text" to limit results to full-text articles

- Limit searches in Avery by "Illustrations" to find plans, drawings, maps, etc.

- Use Visual Search for easy browsing and filtering after performing an initial search
